Other nights are being worked on but check at meetings to be sure.

**Wire Wrapping and Silversmith classes are being arranged. Ask at a meeting.**

**Please Note** that for insurance and safety reasons, you must be a club member in order to use the workshop machinery.

#### **When working in the workshop....**

IF ANYTHING SEEMS BROKEN OR WORKING POORLY PLEASE STOP USING IT AND ALERT THE FOREPERSON OF THE PROBLEM. This is for everyone's safety and to help make the machines last. Also please clean up after yourself and at the end of the night, chip in to clean up with the rest .

Letter from the President about this months General meeting and the Election of the Executive:

Hello Rockhounds,

This upcoming wednesday (26th) is our AGM! we will be voting in the executive for the 2018-2019 year. Elsha, Michele, and myself are all stepping down we need new people to step up as executives this year. **Needed positions are President, Secretary and Treasurer.**

The president writes the agendas for each meeting and organizes the summer BBQ and the Christmas party.

The secretary is primarily responsible for writing up the minutes and since Elsha has taken the position, she has been coordinating classes with the instructors and interested members.

The Treasurer deals with the clubs finances and you'd need to ask Michele for more information. If you are interested in running or have any questions please email me. without the executive positions filled the club will be dissolved.

Hope to see you all at the meeting,  
Robert Hendriks

**From the editor. The Show needs volunteers for setup; and in the show; and take down.**

**The 2018 Surrey Rockhound Show and Sale is October 13 and 14.**

Just to give you an idea of the things that happen and the volunteers we need for the show I will give a run down of events.

On Thursday Fred brings the Trailer to the Sullivan hall so that Friday morning the trailer can be unloaded and items taken into the hall and set up. (sometimes a day sooner)

On Friday morning the tables are set up and the table covers are put on, and the cases are set up. Also items like the spin and win and children's corner and silent auction are set up. The sound system is set up. The kitchen is checked over and some items are prepared for the next day. The vendors usually arrive in the afternoon and evening and set up their stuff. Bright and early Saturday morning the kitchen starts. At 10 the doors open and we start letting in the public.

The show lasts all day Saturday and then all day Sunday. Sunday at 5 we usher the last of the people out and then we have to take everything down, pack up the vendors, clean up the place and Fred takes the trailer back.

**All of this takes volunteers. Lots and lots. So far we are very short of listed volunteers.** Every club member needs to pitch in and help. When we are there and working together we are learning and developing friends. Some of it is heavy work but most of it is just helping out and being there. Friday morning to Sunday night, any time you can be there would be great. Family members are a great help too.

I hope to see everyone at Sullivan Hall for the show.

**Meeting minutes**

There were no minutes taken of the August meeting because we had a picnic in the park. I can pass on that we enjoyed our conversations but none were official. The food was great including the hot dogs that Elsha brought and the many pot luck salads, entrées and desserts that people brought.

Remember that the September meeting is the election of the new executive and the last Show update

I am placing part of an email from De. We all need to step in and help. If we start now it is a lot easier to be involved and a lot more gets done. Don't wait, make plans and volunteer. It is your club so let us all make it a success.
